Quick Setup • Configuration • Authentication • Posting

Step 1 - LinkedIn Account

Description:

Create a LinkedIn account or log in to an existing LinkedIn account that will be used for the integration.

A screenshot of a web browser showing the LinkedIn login page. The browser's address bar displays 'linkedin.com/login/'. The page features the LinkedIn logo in the top left. The main content area is titled 'Sign in' and includes a link for 'New to LinkedIn? Join now'. There are two large buttons for social login: 'Continue with Google' and 'Sign in with Apple'. Below these, a line of text states: 'By continuing, you agree to LinkedIn's User Agreement, Privacy Policy, and Cookie Policy.' This is followed by an 'or' separator. Then, there are input fields for 'Email or phone' and 'Password'. A link for 'Forgot password?' is located below the password field. A checkbox labeled 'Keep me signed in' is checked. At the bottom of the form is a large blue 'Sign in' button. The footer of the page contains copyright information and links to 'User Agreement', 'Privacy Policy', 'Community Guidelines', 'Cookie Policy', 'Copyright Policy', 'Send Feedback', and 'Language'.

Step 2 - LinkedIn Company Page

Description:

Create a LinkedIn Company Page or select an existing Company Page.

Requirements:

- Company Page
- Company Page Admin Access

The screenshot shows the LinkedIn homepage with a dark blue header. The navigation bar includes icons for Home, My Network, Jobs, Messaging, Notifications, and Me. The 'Work' icon, represented by a grid of dots, is highlighted with a purple box. A purple arrow points from the text 'First, click this.' to the 'Work' icon. Another purple arrow points from the text 'Then, click here.' to the 'Create a Company Page' button in the right-hand sidebar. The sidebar is titled 'Visit more LinkedIn products' and lists various services: Learning, Insights, Post a job, Advertise, Groups, ProFinder, Salary, and Slideshare. Below this, under 'LinkedIn business services', are sections for Talent Solutions, Sales Solutions, Post a job, Marketing Solutions, and Learning Solutions. The 'Create a Company Page' button is located at the bottom of this sidebar and is also highlighted with a purple box. The main content area shows a post from 'web design agencies worldwide who choose Elementor' with a video thumbnail and a 'Following' status. Below the post are sections for 'Promoted' content and 'Similar pages'.

First, click this.

Then, click here.

Step 3 - Open LinkedIn Developer Portal

Description:

Open the LinkedIn Developer Portal.

<https://www.linkedin.com/developers/>

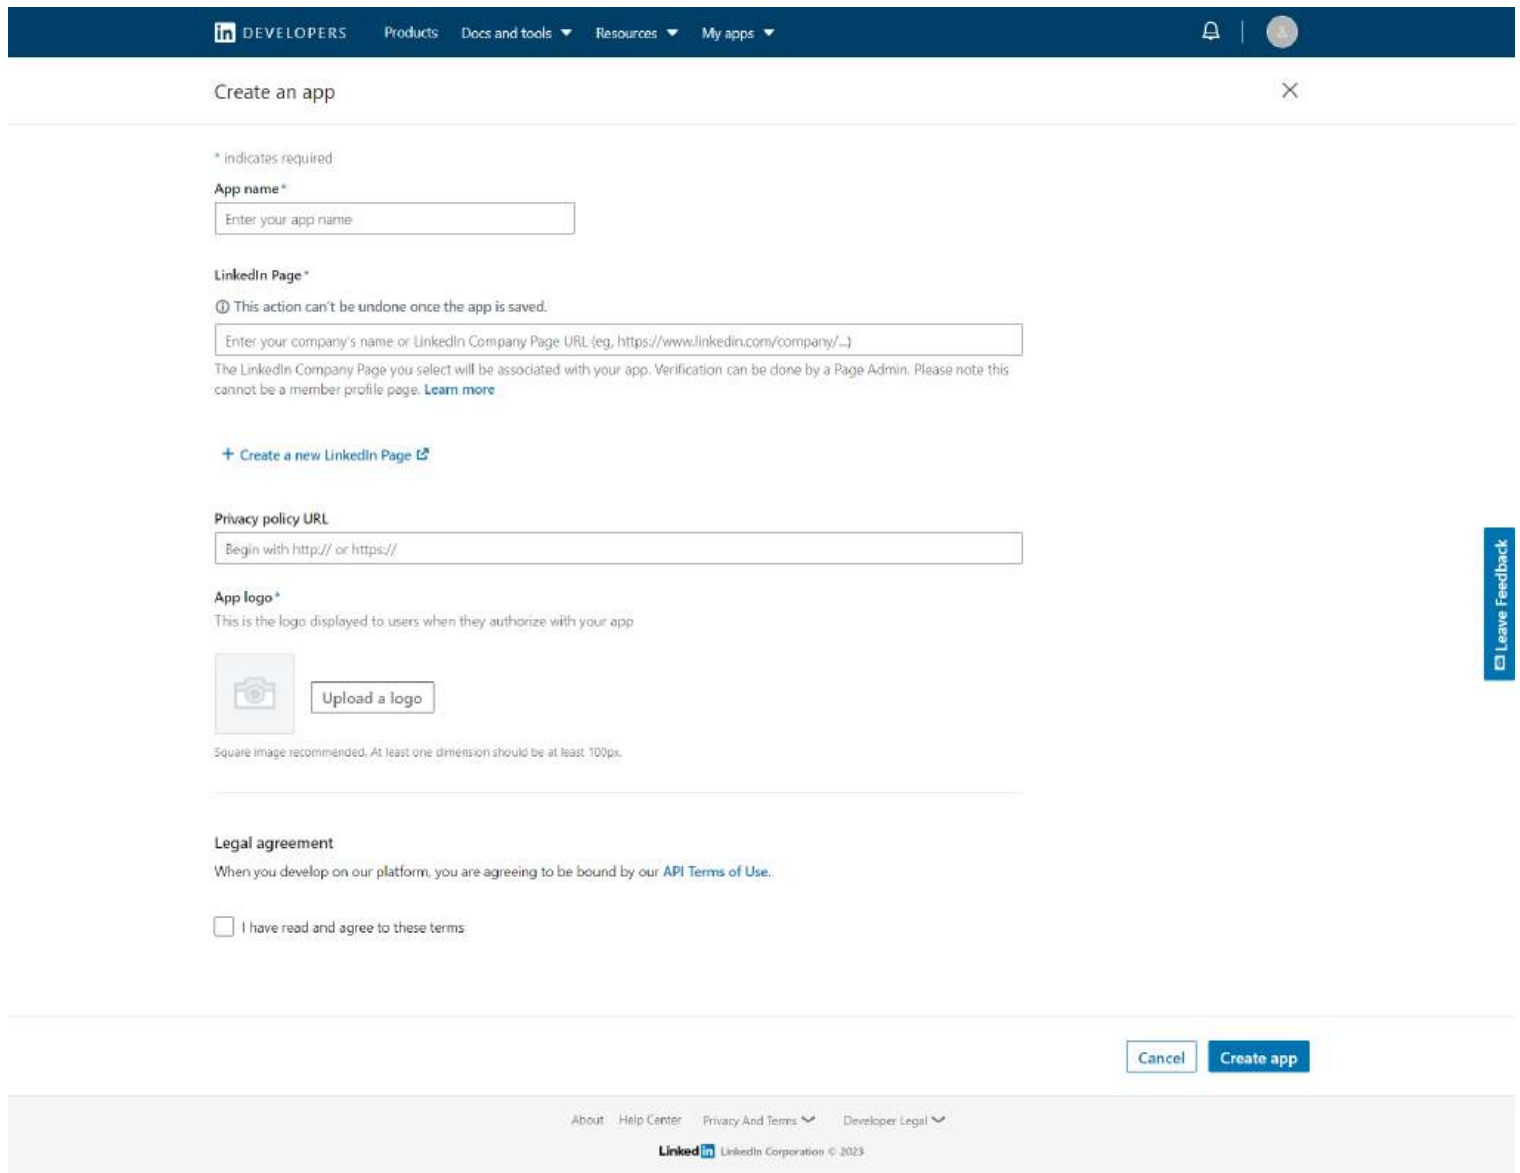

Navigation:

My Apps → Create App

Required While Creating App:

- App Name
- Company Page Association
- App Logo
- Privacy Policy URL

The screenshot shows the 'Create an app' form on the LinkedIn Developers portal. The form is titled 'Create an app' and includes a close button (X) in the top right corner. It contains several required fields marked with an asterisk (*):

- App name ***: A text input field with the placeholder 'Enter your app name'.
- LinkedIn Page ***: A text input field with the placeholder 'Enter your company's name or LinkedIn Company Page URL (eg, https://www.linkedin.com/company/...)'. Below this field, a note states: 'This action can't be undone once the app is saved.' Another note below says: 'The LinkedIn Company Page you select will be associated with your app. Verification can be done by a Page Admin. Please note this cannot be a member profile page. [Learn more](#)'. A link '+ Create a new LinkedIn Page' is also present.
- Privacy policy URL**: A text input field with the placeholder 'Begin with http:// or https://'.
- App logo ***: A section with a note 'This is the logo displayed to users when they authorize with your app'. It features a placeholder image and an 'Upload a logo' button. A note below states: 'Square image recommended. At least one dimension should be at least 100px.'

At the bottom of the form, there is a 'Legal agreement' section with a checkbox and the text 'I have read and agree to these terms'. The checkbox is currently unchecked.

At the bottom right of the form, there are two buttons: 'Cancel' and 'Create app'.

The footer of the page includes links for 'About', 'Help Center', 'Privacy And Terms', and 'Developer Legal', followed by the LinkedIn logo and 'LinkedIn Corporation © 2023'.

Step 4 - Enable Required Products

Description:

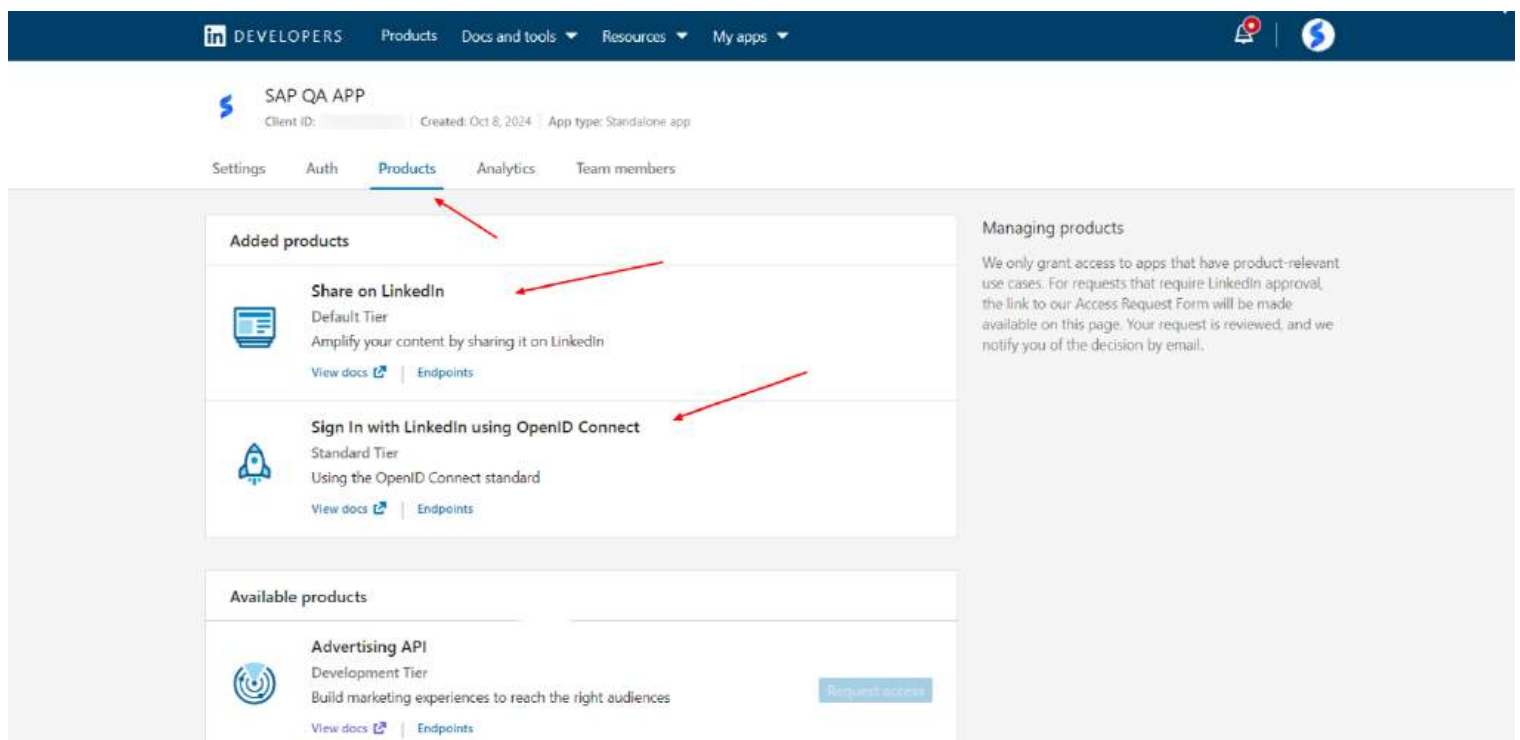

Open your LinkedIn App and navigate to the Products section.

Navigation:

App → Products

Enable:

- Share on LinkedIn
- Sign In with LinkedIn using OpenID Connect

Important:

Wait until both products become available before continuing.

Step 5 - Configure Redirect URL

Description:

Open the Authentication settings and add the Redirect URL provided by the system.

The screenshot shows the LinkedIn Developers 'Auth' settings page. The 'Authorized redirect URLs for your app' section is highlighted with a red box, showing a text input field with the placeholder 'Begin with http:// or https://'. The 'Update' button is also highlighted with a red box.

Application credentials

Authentication keys

Client ID:

Client Secret:

OAuth 2.0 settings

Token time to live duration

Access token: 2 months (5184000 seconds)

Authorized redirect URLs for your app

Begin with http:// or https://

+ Add redirect URL

Cancel Update

Understanding authentication and OAuth 2.0

In order for your applications to access LinkedIn member data and/or act on their behalf, they must be authenticated.

To make this process as easy as possible, LinkedIn relies on the industry standard OAuth 2.0 protocol for granting access.

Using [OAuth 2.0 tools](#) you can create new access tokens and inspect token details such as token validity, scopes and more.

[Learn more](#)

Navigation:

App → Auth

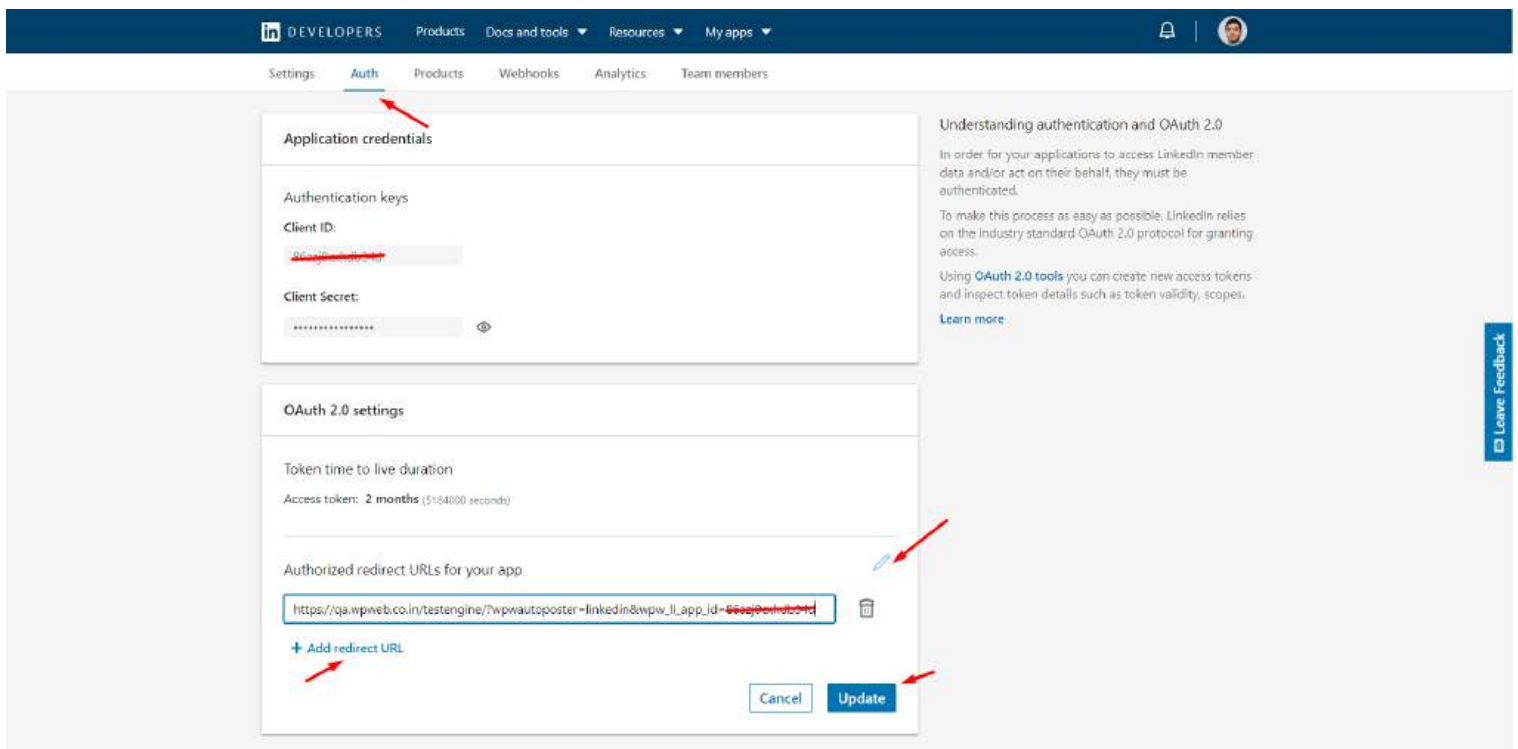

Section:

Authorized Redirect URLs for Your App

Action:

Copy the Redirect URL from the system and add it to your LinkedIn App.

Save the changes after adding the URL.

Step 6 - Copy Credentials

Description:

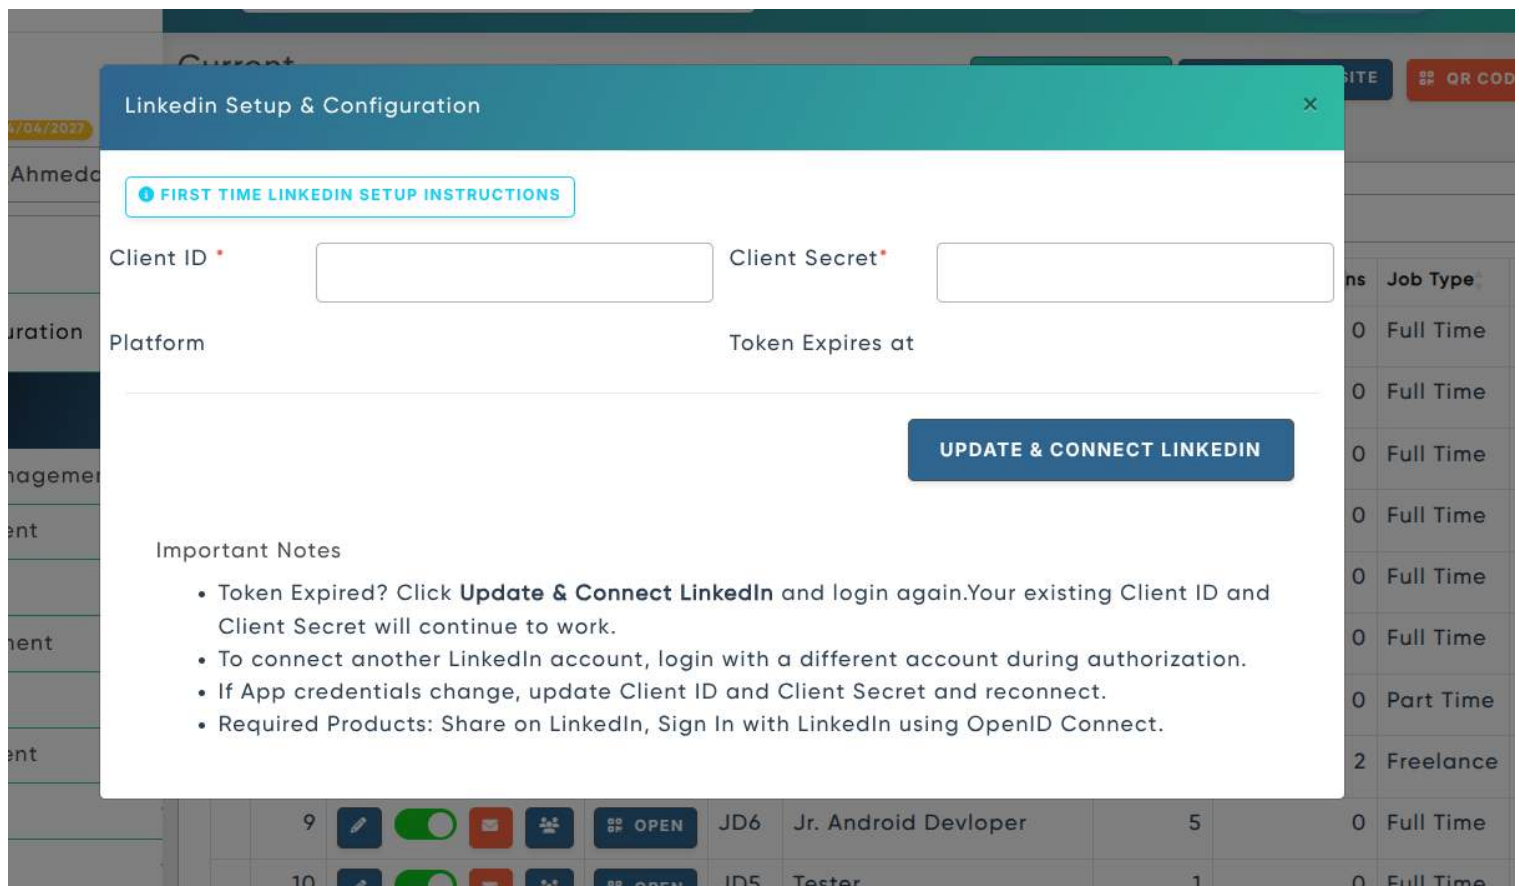

Open the Authentication page and copy the application credentials.

Required Credentials:

- Client ID
- Client Secret

Important:

Do not enter credentials into the system until all previous steps have been completed.

The screenshot shows a 'LinkedIn Setup & Configuration' dialog box with a teal header and a close button (X). Inside, there's a section titled 'FIRST TIME LINKEDIN SETUP INSTRUCTIONS' with a blue icon. Below this, there are input fields for 'Client ID' and 'Client Secret', both marked with a red asterisk. There are also labels for 'Platform' and 'Token Expires at'. A large blue button labeled 'UPDATE & CONNECT LINKEDIN' is positioned to the right. At the bottom, under 'Important Notes', there are four bullet points: 'Token Expired? Click Update & Connect LinkedIn and login again. Your existing Client ID and Client Secret will continue to work.', 'To connect another LinkedIn account, login with a different account during authorization.', 'If App credentials change, update Client ID and Client Secret and reconnect.', and 'Required Products: Share on LinkedIn, Sign In with LinkedIn using OpenID Connect.' The background shows a blurred table with columns like 'Job Type' and 'Full Time'.

LinkedIn Setup & Configuration

FIRST TIME LINKEDIN SETUP INSTRUCTIONS

Client ID * Client Secret *

Platform Token Expires at

UPDATE & CONNECT LINKEDIN

Important Notes

- Token Expired? Click **Update & Connect LinkedIn** and login again. Your existing Client ID and Client Secret will continue to work.
- To connect another LinkedIn account, login with a different account during authorization.
- If App credentials change, update Client ID and Client Secret and reconnect.
- Required Products: Share on LinkedIn, Sign In with LinkedIn using OpenID Connect.

Step 7 - Connect LinkedIn

Description:

Paste the Client ID and Client Secret into the LinkedIn Configuration form.

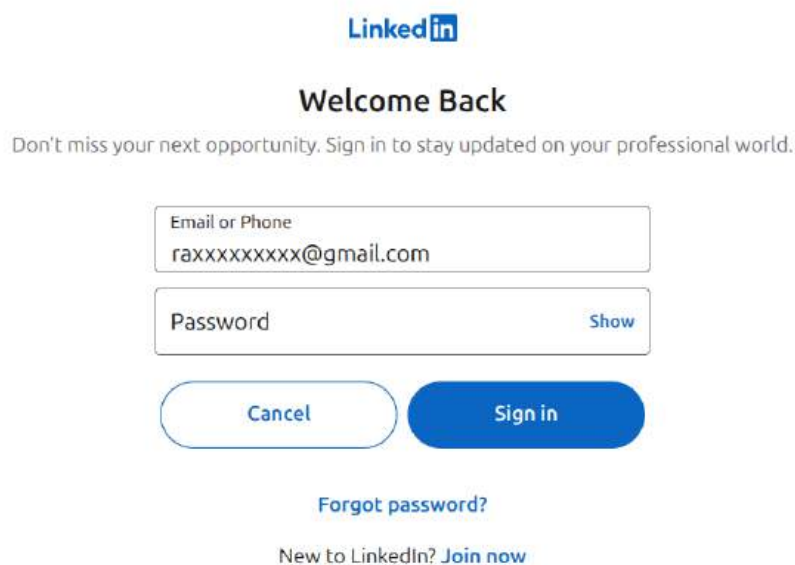

Action: Click "Update & Connect LinkedIn"

Step 8 - Authorize Application

Description: Log in with your LinkedIn account when prompted.

Action: Click "Allow"

This grants permission for the application to access the required LinkedIn resources.

A screenshot of the LinkedIn login interface. At the top is the LinkedIn logo. Below it is the heading "Welcome Back" followed by the text "Don't miss your next opportunity. Sign in to stay updated on your professional world." There are two input fields: "Email or Phone" containing "rxxxxxxxxx@gmail.com" and "Password" with a "Show" link. Below the fields are two buttons: "Cancel" and "Sign in". At the bottom, there are links for "Forgot password?" and "New to LinkedIn? Join now".
